

Perfect Hold™

Deli Cases

- **User-friendly design** – available in countertop and stand-alone versions.
- **Unique front glass design** – pivots down for easy cleaning.
- **Rollerless sliding glass doors** – easy to clean.
- **Mechanical timers** – track holding time for each row of pans.
- **Rheostats** – allow full range of light control for each zone.
- **Simplified controls** – offer uniform warming of foods.
- **Euro-look design** – provides excellent visual presentation and appeal.
- **Waterless system** – eliminates plumbing requirements and expense.
- **Recessed electrical upper controls** – reduce potential damage risks.
- **Single main power switch** – allows for easy start-up and shut-down.
- **Attractive Broaster color scheme** – reinforces brand image of quality with Broaster icons and *Broaster® To Go* logo (on complete deli cases).
- **Optional built-in backlit graphics** – standard *Broaster® To Go* graphics panel on complete deli cases can be backlit with optional 3-bulb fluorescent light unit.

Specially designed to merchandise your Genuine Broaster®, Broaster® Recipe, and other hot foods!
