Cup Dispensers

STL Series One-Size-Fits-All In-Counter Adjustable Cup Dispensers

Dispense-Rite STL-2 cup dispensers are the only dispensers you will need for a variety of paper, plastic, and foam cups ranging from 8 oz. to 44 oz. STL-2 cup dispensers utilize a simple and fast tool free adjustment mechanism. These dispensers are designed for cups and containers with rim diameters ranging from 3-1/8" to 4-1/2".

Dispense-Rite's precision three clip adjustment mechanism combined with a calibrated compression spring ensures one at a time dispensing in horizontal, angled, or vertical mounting positions. Innovative design allows the dispenser to be adjusted without removing from the counter. Quality ABS plastic construction with a no-jam design provides years of dispensing reliability.

The integrated mounting collar fully supports the dispenser in horizontal, angled, or vertical mounting positions; no additional support is necessary. Optional silver satin ring bezels are available. All models are NSF listed.
