Now you can serve up tasty meals anytime, anywhere! With Instant Burger® and Ventless Countertop Fryers from Broaster Company, you can satisfy the hungry appetites of your patrons quickly and deliciously!

Serve up everyone's favorite bar foods in no time.

Introducing the Instant Burger® and Ventless Countertop Fryers, two pieces of convenient countertop equipment that cook up big profits quickly and easily.

They readily fit most establishments, no matter your size, because both pieces fit easily on a countertop for a minimum footprint. Both machines cook up a variety of delicious options, depending on your needs. Add in your own ingredients, and you can offer an unlimited variety of tasty meals!

Ask about our full line up of freezer to fryer items!

BROASTER® EQUIPMENT

Ventless Countertop Fryers

- Cooks up fries, onion rings, popcorn shrimp, chicken tenders and more in no time!
- Temp-N-Time™ feature offers programming up to 10 different cook cycles for quick and easy preparation.
- Ultra compact design of less than 2 square feet.

Instant Burger®

- Sleek, small design fits in spaces of only 16” x 23”.
- Cooks up to 200 burgers in an hour. Two burgers in an amazing 25 seconds!
- No cooking skills required. Meat can’t burn or overcook.
- Doesn’t require a hood to operate.*

* Local codes prevail

create your own burger bar
